Manish Kumar Sinha

UI/UX Designer | Product Designer

Bengaluru, India • **manishsinha2612@gmail.com** • **+91-8298089548** • **LinkedIn** • **Behance** • **GitHub** • **Portfolio**

PROFESSIONAL SUMMARY

Entry-level UI/UX Designer with a strong foundation in user-centered design, interaction design, design systems, wireframing, prototyping, usability testing, accessibility, and responsive design. Skilled in designing intuitive web and mobile experiences using Figma and React.js while following modern UX best practices.

TECHNICAL SKILLS

Design Tools	Figma, Adobe Photoshop, Illustrator, After Effects
UX Methods	User Research, User Flows, Wireframing, Prototyping, Design Systems, Journey Mapping, Usability Testing, Heuristic Evaluation
Frontend	React.js, HTML5, CSS3, Responsive Design
Branding	Logo Design, Brand Identity, Typography, Color Theory
Mobile	iOS Human Interface Guidelines, Material Design
Core Skills	Accessibility (WCAG 2.1), Information Architecture, Component Libraries, Cross-functional Collaboration

EXPERIENCE

Independent UI/UX Designer — 2025–Present

Self-Initiated Design Projects

- Executed end-to-end **UI/UX design workflows** from user research and information architecture to wireframing, high-fidelity UI design, interactive prototyping, usability and testing while creating scalable **design systems**, reusable component libraries, Auto Layout, and accessible interfaces aligned with **WCAG 2.1**, Material Design, and iOS Human Interface Guidelines.

PROJECTS

Inkriti — Tattoo & Piercing Marketplace App | *User Research, UI/UX Case Study, Brand Identity, Mobile App* View Project

- Conducted **user research with 20+ participants**, analysed **5+ competitors**, and mapped **10+ user journeys** to uncover usability gaps, improving the end-to-end booking and artist discovery experience.
- Designed **40+ high-fidelity mobile screens** and developed a scalable **design system** with **35+ reusable components**, **15+ design tokens**, Auto Layout, typography, and interactive prototypes, streamlining design consistency and developer handoff.
- Created the complete product branding and trust ecosystem, including logo, visual identity, verified artist profiles, hygiene badges, ratings, reviews, transparent pricing, and portfolio showcases, following **WCAG 2.**

Brand Identity & Visual Design Collection | *Logo Design, Visual Identity, Marketing Design*

- Designed end-to-end **brand identity systems** with logos, typography, color systems, iconography, and brand guidelines to create cohesive visual experiences.
- Developed marketing and social media creatives by applying visual hierarchy, grid systems, typography, and branding principles to ensure consistent cross-platform communication.

RideOne — Rider Ecosystem Mobile Application | *Figma, UI Design, Interaction Design, Design System, Mobile App* View Project

- Designed a rider-focused ecosystem with **100+ high-fidelity mobile screens** across **5 core modules**, integrating vehicle marketplace, riding gear shopping, rentals, trip planning, and rider community features.
- Conducted **heuristic evaluation**, user journey mapping, and task flow optimization while building a scalable **design system** with **50+ reusable components**, **20+ design tokens**, Auto Layout, and variants, improving consistency and developer handoff.
- Created interactive prototypes for Trip Mode with group ride planning, expense tracking, SOS support, and live communication following **Material Design**, **iOS HIG**, and **WCAG 2.1**.

CareMotiv — Healthcare Web Application | *React.js, UI Design, Responsive Design, Accessibility* View Project

- Designed responsive healthcare web interfaces and high-fidelity prototypes in Figma, improving user onboarding while following **WCAG 2.1** accessibility standards.
- Created reusable UI components, responsive layouts, and developer-ready specifications that streamlined React.js implementation and ensured a consistent cross-device experience.

EDUCATION

PG Program in UI/UX Design — 2025–2026

ICAT Design & Media College, Bengaluru

Bachelor of Arts (General) — 2020–2024

Indira Gandhi National Open University (IGNOU)

CERTIFICATIONS

- Diploma in Computer Applications — CEC Group of Education
